## Tuesday and Thursday Talk To Your Senator Days

---

Every Tuesday and Thursday, Teamsters across the country are going to be calling into their Senator's office urging them to support the Employee Free Choice Act. It is crucial that you join other Teamsters and call your Senator to tell them they need to co-sponsor the Employee Free Choice Act in order to ensure a decent standard of living for America's workers. We need to let Congress know that this piece of legislation is important and to have our voices be heard! Please call (202) 224-3121 and talk to your senator.

Hi, my name is \_\_\_\_\_. I am a Teamster from the state of \_\_\_\_\_. May I ask who am speaking with? I am calling to voice my support for the Employee Free Choice Act because this critical legislation would give more workers a voice in their workplace to negotiate for better wages, health care, and working conditions. I would also like to ask that Senator/Representative \_\_\_\_\_ be a co-sponsor for the Employee Free Choice Act. Thank you for taking my support into consideration.
