## National **Freight Industry Negotiating** Committee

March 26, 2010

### **TEAMSTERS, ABF EXCHANGE INFORMATION**

A subcommittee of the Teamsters National Freight Industry Negotiating Committee (TNFINC) exchanged information with ABF representatives late this week and engaged in preliminary discussions about the company's financial needs.

Further discussions between the Teamsters and ABF will begin once an independent financial advisor has verified the company's financial needs.

More information will be released as it becomes available.
