

TEXAS IS TEAMSTERS

AA Mechanics in Texas at Majority for Teamsters

We have hit majority support for Teamster representation here in Texas! AA mechanics and related in Texas have joined coworkers at 20 other AA maintenance stations nationwide by reaching a majority of cards signed for the Teamsters.

A big state like Texas is a big win for our mechanic-driven movement for Teamster power. Very soon we'll be filing for our election to become Teamsters.

It's time for us to bring in the horsepower of a tough union with the skills and resources to protect our jobs and move our craft forward. That union is the Teamsters.

If you have not yet signed a Teamster card, we urge you to do so as soon as possible!

With the TEAMSTERS We Can WIN!
