

DOT Records Confirm Our Driving Excellence

We all know we are the top drivers in the industry, displaying our expertise and experience every day while safely delivering fuel to our customers in Southern California.

The statistics from the U.S. Department of Transportation (DOT) back us up.

Drivers at KAG West have a perfect OOS (Out of Service) record, according to DOT records. This confirms what we have been saying all long—we deserve the best pay and benefits for the job we do every day. No other motor carrier in any sector of this size and scope has such an impeccable driver safety record. See the information below from the DOT:
