

SAVE JOBS PROTECT PENSIONS

PENSION CALL SCRIPTS

Please use the below call scripts for Local Unions and members to make calls to their Representatives' and Senators' offices in support of pension reform legislation.

Calls to Representatives:

Hi, my name is _____ and I am a Teamster calling from your district. May I ask who I am speaking with? I am calling ask you to save jobs and protect pensions by supporting H.R. 3936, the Preserve Benefits and Jobs Act. This legislation will protect jobs by providing much needed relief to our nation's pension plans. With unemployment rates the highest since the Great Depression, our nation cannot afford to lose more jobs. Unrealistic standards are leading to harmful job cuts. I would like to ask Representative _____ to co-sponsor the Preserve Benefits and Jobs Act. Thank you for your time.

Calls to Senators:

Hi, my name is _____ and I am a Teamster calling from your state. May I ask who I am speaking with? I am calling to voice my support for pension relief legislation that would save jobs and protect pensions – legislation like H.R. 3936, the Preserve Benefits and Jobs Act, which was introduced in the House. This legislation will protect jobs by providing much needed relief to our nation's pension plans. With unemployment rates the highest since the Great Depression, our nation cannot afford to lose more jobs. Unrealistic standards are leading to harmful job cuts. I would like to ask Senator _____ to make pension relief legislation a top priority in 2010. Thank you for your time.
