

Teamsters File for Election at US Airways – We're Next!

LET'S MAKE THE FINAL PUSH

This is big news: the Teamsters officially filed for a representation election for mechanics and related at US Airways – soon to be our coworkers at the newly merged airline. With a substantial majority of cards signed by our brothers and sisters at US Airways, the Teamsters have petitioned the National Mediation Board to run an election. If there's still any lingering doubt about the Teamsters' seriousness in this fight for better representation at AA and US Airways, this surely puts those doubts to rest.

Now it's our turn! This challenges us to make the final push. We're very close to filing!

Throughout our campaign for Teamster power at AA, the Teamsters have been the only union with a strong organizing presence at both airlines. They are the only union that's prepared to represent mechanics and related as the two airlines merge. And they are the only union with the record and resources to fight for us and move our craft forward.

It's time for us at AA to join our future brothers and sisters at US Airways.

We'll be filing soon so we can finally make the change from weak TWU representation to strong Teamster representation at the world's largest airline. If you have any questions, call us at 877-589-4951.
